FRENCH SCHOOL OF DESIGN  
& CREATIVE STRATEGY

Managed by  
**JS Institute of Design**

# Founded by Designers, Designed by Academicians

We are a French institute of design and creative strategy, **ranked amongst the Top 5 Design Schools in France**, co-founded by designers & academicians who had a vision to build a culture where creative minds are free to innovate, create and be part of a design revolution.

We have 9 Campuses in **New Delhi**, Bengaluru, Mumbai, Kolkata, Paris, Marseille, São Paulo, Shanghai and Dubai.

## OUR PROGRAMS for Design Excellence

- 01 Undergraduate in Visual Communication
- 02 Undergraduate in Game Art & Design
- 03 Undergraduate in Digital Product Design
- 04 Postgraduate in Advertising, Design & Digital Communication

# Industry-First Approach

As one of the top design colleges in India, we understand the Indian market and are committed to creating 'industry-ready' students to meet the market needs.

Through hand-picked, professional faculty, regular workshops, exchange programmes and local & international internships, École Intuit Lab makes sure that every student who walks out of our campus is ready for the professional world.

Over the past 11 years in India, École Intuit Lab has placed almost all its students within 6 months of their completing the program.

**Graduates have been placed  
in top organizations like:**

**NETFLIX**

**LANDOR**

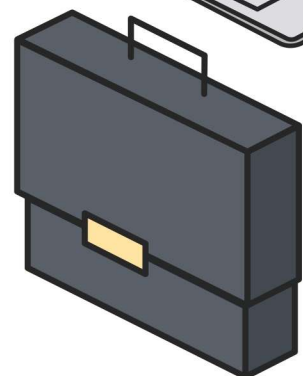

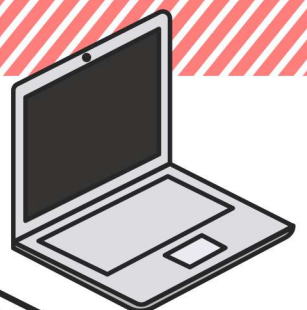

**Ogilvy**

SAATCHI  
&  
SAATCHI

**tcs** | **TATA  
CONSULTANCY  
SERVICES**
